Special JGSGB Panel: *How to Get the Most Out of the Upcoming International Jewish Genealogy Conference*

Preceded by a brief Annual Meeting and Society elections

Sunday, June 9, 2013, 1:30 pm
Temple Emanuel, Newton

The annual conference of the International Association of Jewish Genealogy Societies will be held in Boston from August 4 to August 9, the first time since 1996 that this outstanding conference will be in Boston. A large group of JGSGB members has been hard at work for more than a year planning to make this conference the best ever.

We expect that many of our members will be attending the conference, and this special program is designed to provide a head start in getting the most out of the conference. The panelists – volunteer conference planners and experienced conference-goers – will provide an overview of the conference and its programs, workshops, and research tools. They will also offer suggestions on ways to prepare for the conference and tips on how most to enjoy and benefit from it.

There will be ample time for questions and answers.

As usual, genealogical reference materials will be available for perusal.

Temple Emanuel is at 385 Ward St, Newton Centre, MA.

For detailed directions and maps, visit our web page at <http://emanuel.jgs.gb.org>.

Admission is free for members, \$5 for non-members.

Refreshments will be served.

Upcoming programs: the 2013–2014 program schedule will resume in September.

Meanwhile...
